Product Description

6L Customizable Stainless Steel Feeding Bucket 270×170mm Calf Feeding Equipment SS201

Product Description:

This product is specially configured for calf and can be placed indoors and outdoors. It is used to hold water, milk, feed, etc. that are needed daily for calf. The product is made of Stainless Steel 201.

Quick Detail:

- One-piece design, corrosion-resistant, more robust and durable
- Thickened one-piece basin
- Anti-fall and no deformation
- The basin mouth is specially made to widen the curling edge, which has a certain effect of anti-collision and impact resistance, so that Stainless steel basin is more comfortable and safe to use for a long time
- Mirror polished, beautiful and easy to clean
- Crimping design effectively prevents cuts or scratches on fingers
- Healthy, no mold, no bacteria growth

Specifications:
