

8 Knives Power Hoof Trimming Grinder With Heat Dissipation 22.2mm Wear Resistance

Our Product Introduction

for more products please visit us on mobilemilkingmachine.com

Basic Information

- Place of Origin: JiangSu
- Brand Name: Chuangpu
- Certification: High Quality
- Model Number: Dia of Grinder 125mm
- Minimum Order Quantity: 1pc
- Price: USD\$198-222.00/pc
- Packaging Details: Packing Carton
- Delivery Time: 10-15days
- Payment Terms: T/T, Western Union, paypal
- Supply Ability: 500pcs/month

Product Specification

- Speed: 11,800r/min
- Voltage: 220V
- Usage: Hoof Trimming
- Weight: 2.03kg
- Hole Dia: 22.2mm
- Input Power: 850W
- Highlight: Hoof Trimming with heat dissipation, wear resistance Hoof Trimming, 220V Hoof Trimming

Product Description

Hoof Trimming Dia of Grinder 125mm 850W Power Match a Variety of Cutter Heads

Product Description:

Hoof disease is one of the four most common diseases in dairy Cows. As the specific conditions of each farm is different so the frequency of hoof disease is, which will not only affect the normal life of dairy cows, but also decline the production performance of cows. Improper handling can even lead cow death, resulting in greater economic losses. Therefore, it is very necessary to do "nail beauty" for cows.

This disc is used with an angle grinder to form a small electric hoof trimming machine. It is mainly used for cow hoof trimming and can also be used for sheep, horses and donkeys. The cutter is made of imported alloy material with strong wear resistance. The aluminum alloy disc is oxidized to greatly.

Advantage of Hoof Trimming disc

- Pass the national patent certificate, and the product has been registered in the China Article Numbering Center;
- The cutter head is made of aluminum alloy after more than 10 procedures, and the surface is hard-oxidized, which is light, good in heat dissipation and high in strength;
- The blade is made of Japanese imported alloy material, the surface is fully coated, and the wear resistance is increased by 3-5 times;
- Most of the cutter heads on the market have not undergone hard oxidation treatment, and the service life is not long;
- With brand packaging, factory inspection certificate, instruction manual, and operation video;
- The brand has been registered with the Trademark Office of the State Intellectual Property Office;
- Have a professional cutter head design team and production team;

Grinder Quick Detail:

Name	Voltage	Frequency	Hole Dia	Max. Dia of Grinder	Input Power	Weight	Speed
125 Angle grinder	220V	50HZ	22.2mm	125mm	850W	2.03KG	11,800r/min

Spare Parts Quick Detail:

Material	Suitable for style
Imported Alloy Blade	HL-Q7F & HL-Q7F-II & HL-Q7G-II
	HL-Q7G1 & HL-Q7G1-II & HL-Q7G2
	HL-Q7G
	HL-Q7G-III

Competitive Advantage:

- Warranty: one year warranty;
- Wide range cows farm equipment: headlock, free stall and hutch;
- Reliable quality and excellent products
- Sample is available
- Lifetime technical service support

Product Picture:

DISC WITH 8 BLADES

Product Name: Hoof Disc with 8 cutter

Product Model: HL-Q7G1

Features:

1. Aluminum alloy disc, hard processing, good rigidity.
2. Imported alloy blade, overall coating, more sharper.
3. Double-sided replacement of the blade, double service life.
4. The opening hole design increases air circulation and improves heat dissipation performance.
