

5CBM , 7CBM , 9CBM Vertical Feed Mixers , OEM Cattle Stationary Tmr Mixer

Our Product Introduction

for more products please visit us on mobilemilkingmachine.com

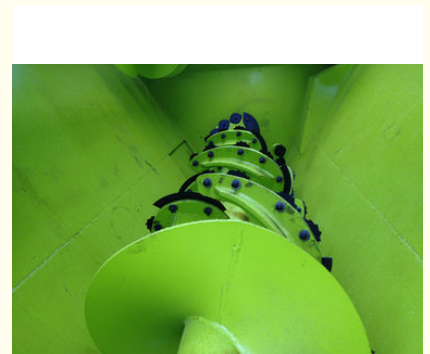

Basic Information

- Place of Origin: China (Mainland)
- Brand Name: HL
- Certification: SGS
- Service: OEM service
- Minimum Order Quantity: One set
- Price: Negotiation
- Packaging Details: Pallet
- Delivery Time: 20-40 days
- Payment Terms: T/T
- Supply Ability: 30pieces/Month

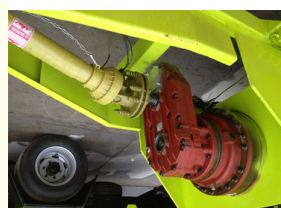

Product Specification

- Highlight: small tmr mixer , vertical feed mixer

Product Description

5CBM , 7CBM , 9CBM Vertical Feed Mixers , OEM Cattle Stationary Tmr Mixer

Quick Detail:

- TMR = Total Mixed Ration
- Color: Green (other available)
- Capacity: 5CBM, 7CBM and 9CBM
- Type: fixed feed mixer and mobile feed mixer

Description:

Based on the most advanced technology of the world, a new generation of TMR(Total Mixed Rations) fodder cutting and mixing machine was developed, which can mix coarse fodder like silage, straw and alfalfa together with concentrated feed, minerals, vitamins and other additives in perfect ration completely by means of stirring, cutting and kneading. The fodder made by this machine will provide sufficient and proportionate nutrition for cattle. According to the actual circumstance of the pasture, considering lactation stage, production characteristics, body condition, and feed sources reasonable factors such as the production formula. Considering the size of the herd and each cattle can have their own TMR, or production base TMR+ concentrate (grass) way to meet the needs of different herds. In addition, the entire diet in TMR breeding techniques can make a thorough mixing is very critical, so the farm must be able to make a thorough mixing of feed mixing equipment.

Features:

Improving the cow milk production and the quality of milk ;
Increasing the cow of dry matter intake;
Reducing the incidence of cow diseases;
Improving cattle breeding rate;
Saving the feed cost and labor time;

Applications:

1. Used in cow/cattle dairy farm;
2. Used to mix coarse fodder with other additives;

Specifications:

Model Number	HL-TMR5
Item	5T TMR Mobile Feed Mixer
Capacity	5CBM
Speed(r/min)	18
Power(kw)	15
Weight(kg)	2500
Productivity(kg/h)	750-1000

Competitive Advantage:

- I. We are machines manufacture sale directly
- II. High quality with reasonable price
- III. We provide the technical support within the one year warranty.
- IV. OEM service accepted.
