Quick Detail:

1. Item: Goat Milk Cluster Group with Silicon Liners
2. Usage: used for goats in farms
3. with high quality and reasonable price

Specifications:

Item	Goat Milk Cluster Group
Model Number	HL-M08
Material	PC/PSU
Base	Plastic
Cover	Plastic
Suits	Milking Machine
Reference Model	160CC, 240CC, 300CC, 350CC,400CC, 450CC, Iron milk claw, Goat milk claw, Milking cluster group

Applications:

1. Each part can separate production
2. Each part can be purchased separately
3. Size available on request
4. Size according to production needs.
5. Set milk apparatus each assembly part can separate production.

Competitive Advantage:

1. Excellent chemical stability
2. Excellent mechanical properties
3. resistant to hydrolysis
4. wear-resistant, high-strength, high thermal stability
5. Good electrical properties
