Product Description

Food Grade Portable Milking Machine Twin Buckets With CE Approved

Quick Detail:

- Item: Twin Buckets Stainless Steel Cow Mobile Milking Machine
- Model: HL-JN02
- Type: Trolley type
- Bucket: double food grade bucket
- Bucket material: stainless steel
- Theory: Vacuum Pump

Description:

Twin Buckets Stainless Steel Cow Mobile Milking Machine: one reliable machine and farm machinery, it consists 2 stainless steel milking buckets, the capacity is 25 liter. Milking bucket material could be SS201, or SS304. This milking machine is designed according to the international standard, milking reliable instead of traditional way by hand, with vacuum pump theory. The vacuum pump system for the milking machine contains: vacuum pump, vacuum meter, vacuum regulator, oil pot etc. And milking unit system is composed of milking bucket, milk shell, milk liner, milk claw, milk pulsator etc.

Features:

This cow mobile milking machine has two mobile wheels, which is flexible and convenient to move to milk. The operation and maintenance are simple, just connecting the wire, keeping the vacuum parts no air, when reaching the rated vacuum degree, it's the time to milk. This machine is low noise, so as not to spook the livestock. The bucket material could be stainless steel, aluminum or transparent.

Applications:

Could be used for cows, goats, sheep and buffalo, just changing the milk cluster group.

Specifications:

Item:	Stainless Steel Mobile Milking Machine
Vacuum degree	50Kpa
Voltage	220V/40-60Hz
Power	0.75-1.1kw
Bucket	Double Bucket
Productivity	20-24 cows/hour
Milking time	5-6 min/cow
Pulsation frequency	60:40
Stainless steel bucket	25L

Competitive Advantage:

- With one year warranty
- With CE certificate
- With ISO9001:2000, ISO9001:2008 certificate
- With SGR certificate
- With technical support
- With reasonable price
- With good quality
