

Adjustable 7 Cubic Meter Mobile Animal TMR Feed Mixer 18KW OEM service

Our Product Introduction

for more products please visit us on mobilemilkingmachine.com

Basic Information

- Place of Origin: China (Mainland)
- Brand Name: HL
- Certification: SGS
- Service: OEM service
- Minimum Order Quantity: One set
- Price: Negotiation
- Packaging Details: Pallet
- Delivery Time: 20-40 days
- Payment Terms: T/T
- Supply Ability: 30pieces/Month

Product Specification

- Highlight: vertical feed mixer, cattle feed mixer

Product Description

Adjustable 7 Cubic Meter Mobile Animal Vertical Tmr Mixers , 18KW

Quick Detail:

- TMR = Total Mixed Ration
- Color: Green (other available)
- Capacity: 5CBM, 7CBM and 9CBM
- Type: fixed feed mixer and mobile feed mixer

Description:

TMR stands for Total Mixed Rations (full mixed diet), means coarse material ,concentrate , trace elements and other additives are mixed feed. It Provide enough adequate nutrition to cattle ,sheep.

The advantage of TMR is exclude the cow PICKY NICKY. TMR is specified proportion completely mixed diet, reducing the cattle and sheep are picky,trace element ,vitamin deficiency and toxicity, to improve the quality of milk and sheep meat's quality, reducing the incidence of cattle diseases, improving reproductive rate and saving feed cost.

The machine is indispensable for ranch and modern farm.

Features:

- 1,Shaft, gearbox, auger - mechanical transmission, a single rotary cutting auger, master spiral auger device, auger blades by rolling hardened handle, can hold more materials for circulation mixing
- 2, Main auger screw with high wear-resistant material, machine pressed, smooth arc, with a rub and exclude foreign body functions
- 3,Each corner of the box fixed a knife, according to the cutting conditions, each knife block has four adjustable position
- 4,Electronic weighing system with warning functions,14 language available to use ,Precision $\leq \pm 1\%$,imported from Italy.
- 5, Thicker planetary gear transmission imported from Italy.
- 6,Non-vertical hydraulic system
- 7,Hydraulic control of the discharge door
- 8,Height adjustable strong traction frame
- 9, Transmission shaft imported,Europe standard.
- 10, Gearbox imported from Italy comer, to ensure the taste and quality.
- 11, With a set of butter cup and automatic centralized handle supply butter, as long as the customer hand pressure to complete oiling

Applications:

1. Used in cow/cattle dairy farm;
2. Used to mix coarse fodder with other additives;

Specifications:

Model Number	HL-TMR7
Item	7T TMR Mobile Feed Mixer
Moving Blade	45pcs
Fixed Blade	16pcs
Capacity	7CBM
Speed(r/min)	18
Power(kw)	18
Weight(kg)	3100
Productivity(kg/h)	2500-3000

Competitive Advantage:

- 1.Easy to use
- 2.Efficient cutting and hashing operation
- 3.Can be used by the tractor tail shaft
- 4.Can be transported by binding arms behind the tractor
- 5.All types of tractors can be used
- 6.Can be located anywhere in the barn, by tractor
- 7.Easy and convenient structure to bypass the machine
