

Food Grade Aluminum Alloy Milk Pail Bucket for Transporting Milk

Our Product Introduction

Basic Information

- Place of Origin: China (Mainland)
- Brand Name: HL
- Certification: SGS, FDA Certificate, CE
- Model Number: HL-B03
- Minimum Order Quantity: One piece
- Price: Negotiation
- Packaging Details: Carton
- Delivery Time: 7-10 days
- Payment Terms: T/T, Western Union, Paypal
- Supply Ability: 1000 pieces / Month

Product Specification

- Highlight: painted milk cans,
stainless steel milk containers

Product Description

Food Grade Aluminum Alloy Milk Pail Bucket for Transporting Milk

Quick Detail:

- aluminum alloy milk pail bucket
- for transporting milk
- without cover
- food grade material
- with FDA certificate

Description:

For many small farms and farmers, the aluminum alloy milk pail bucket is an ideal milking pail, which could help them to storage and transport the milk quickly. This kind of milk pail bucket is not heavy, easy to move. And the capacity we supply has 5L, 10L, 12L and 15L. This kind of aluminum alloy milk pail bucket is different from the aluminum milk bucket for milking mahine, it has no cover, with a wider mouth diameter than the milking machine bucket.

For mobile milking machine, the milking machine milk bucket is the necessary component. We offer aluminum milk bucket and stainless steel milk bucket and transparent milk bucket, all of them have been approved by ISO certificate and FDA certificate, and the transparent milk bucket also been approved by the SGS certificate. Regarding the stainless steel milk bucket, the capacity / volume could be from 10 liter to 50 liter, the 25 liter milking bucket usually has stockpiles, and transparent milk bucket with 25l or 32l capacity.

Features:

- Aluminum alloy milk pail bucket capacity available in 5L, 10L, 12L and 15L;
- Aluminum alloy milk pail bucket has a long handle and without cover;
- Aluminum alloy milk pail bucket is made of food grade material, health and easy to clean;
- Aluminum alloy milk pail bucket is light and easy to move;
- Aluminum alloy milk pail bucket is good for storing milk and other liquid;

Applications:

1. Aluminum alloy milk pail bucket is widely used to store water, milk and other liquid.
2. Aluminum alloy milk pail bucket is mainly used to receive and store milk as receiver and pails.
3. Aluminum alloy milk pail bucket is suitable for some small farms and retails.

Specifications:

Model Number	HL-B03
Item	Aluminum alloy milk pail bucket
Capacity	5L, 10L, 12L, 20L
Material	Aluminum Alloy
Type	With long handle
Cover	N
Food Grade	Y

Competitive Advantage:

- Aluminum alloy milk pail bucket has 4 capacities for choosing;
- Aluminum alloy milk pail bucket has one year warranty;
- Aluminum alloy milk pail bucket has a good quality and reasonable price;
- Aluminum alloy milk pail bucket could stick LOGO;
- Aluminum alloy milk pail bucket has been approved by FDA and ISO certificate;
