## Product Description

### 25 Liter Transparent / Clear Milk Bucket with SGS Certificate

#### Quick Detail:

- transparent / clear milk bucket
- 25L capacity with cover
- with scale on the bucket
- with SGS certificate

#### Description:

The transparent / clear milk bucket is different from the stainless steel milk bucket and aluminum milk bucket, With scale on the transparent milk bucket, it's clear to view how much milk in the bucket so as easy to operate the milking. The clear milking buckets have been approved by SGS certificate. We have 25L and 32L transparent milk bucket for choosing.

For many small farms and farmers, the food grade aluminium milking pail is an ideal milking pail, which could help them to storage and transport the milk quickly. This kind of milking pail is not heavy, easy to move. And the capacity we supply has 5L, 10L, 12L and 15L. This kind of food grade aluminium milking pails different from the aluminum milk bucket for milking machine, it has no cover, with a wider mouth diameter than the milking machine bucket.

For mobile milking machine, the milking machine milk bucket is the necessary component. We offer aluminum milk bucket and stainless steel milk bucket and transparent milk bucket, all of them have been approved by ISO certificate and FDA certificate. Regarding the stainless steel milk bucket, the capacity / volume could be from 10 liter to 50 liter, the 25 liter milking bucket usually has stockpiles.
