Basic Information

- Place of Origin: China
- Brand Name: HL
- Model Number: HL-JN01
- Minimum Order Quantity: 1
- Price: \$418/SET
- Packaging Details: Wooden Case
- Supply Ability: 500SETS/Month

Product Specification

- Efficiency: 5-6 Min/cow
- Durability: High
- Power Consumption: Low
- Weight: 70KGS
- Material: Stainless Steel
- Noise Level: Low
- Power Supply: 1.1Kw
- Product Name: Mobile Milking Machine
- Highlight: **high safety mobile milking machine,**
low noise mobile milking machine,
low noise portable milking unit

Product Description

Effortlessly Milk Your Cows with Our Advanced Single Bucket Mobile Milking Machine

Product Description:

Our mobile milking machine is designed to make milking cattle easy and convenient. With a compact size, light weight, and low noise level, this machine is easy to transport and operate. This portable milk extractor is the perfect solution for farmers on the go who need to milk their cows quickly and efficiently. Its automatic operation and easy maintenance make the mobile milking machine a great choice for farmers who need a reliable and easy-to-use solution. The machine's portability makes it ideal for use in fields, pastures, and other remote locations. With its power and convenience, the portable milking device is the perfect tool for any dairy farmer.

Features:

Portable Milking Device: Mobile Milking Machine

Material: Stainless Steel

Maintenance: Easy

Noise Level: Low

Power Supply: 1.1Kw

Portable Milk Extractor: Mobile Milking Machine

Small Milking Machine: Mobile Milking Machine

Technical Parameters:

Attribute	Description
Product Name	Mobile Milking Machine
Efficiency	5-6 min/cow
Capacity	25L Milking Bucket
Power	1.1Kw
Power Supply	Electric
Material	Stainless Steel
Operation	Automatic
Maintenance	Easy
Safety	High
Durability	High
Keywords	Portable Milking Device, Portable Milk Extractor, Milk Extractor Machine

Applications:

HL Mobile Milking Machine, with Model Number HL-JN01, is made in China with high durability and efficiency. This portable milk extractor is designed with a small milking machine and a mobile milking mechanism, providing an automatic operation with low noise level. It is the perfect product to meet the needs of small dairy farms and farmers who are looking for an efficient and reliable device for milking. With its easy-to-use design and high performance, HL Mobile Milking Machine is sure to meet all your milking needs.

Customization:

HL Mobile Milking Machine - HL-JN01

This mobile milking machine from HL is designed to provide superior milking efficiency and low power consumption. It is compact in size and made with stainless steel material for maximum durability and longevity.

Brand Name: HL

Model Number: HL-JN01

Place of Origin: China

Size: Compact

Material: Stainless Steel

Efficiency: High

Power Consumption: Low

Product Name: Mobile Milking Machine

This mobile milking machine from HL is the ideal solution for any dairy farm. It is equipped with a high-efficiency mobile milking mechanism and a low power consumption system, making it perfect for any dairy operations.
