Product Description

Feeding Bottle Description:

Feeding calves happens when the offspring are orphaned, their mother doesn't claim them or the calves were purchased at auction to be hand raised. Hand raising a calf helps to create adult animals that are safe and easy to work with. Several good replacement milk brands are available including Purina, Sav-A-Calf and Cargill.

Feeding Bottle Important Features:

1. plastic calf feeding bottle
2. feeding milk bottle with nipple
3. SGS certificate
4. ISO certificate

Usage and Function of Feeding Bottle:

Feeding bottle used for feed calf or calves when cow mother died or nipple infection, Feeding Bottle for Feeding Milk To Calf .

Feeding Bottle Simple Technical Data:

1. Using natural rubber, non-toxic, food grade material.
2. Convenient feeding and easy clean.
3. OEM available.

We offer 2L and 4L animal feeding bottle, welcome to contact us for more details.
