Product Description

50PCS PE Disposable Neck Gloves with Enhanced Chemical and Tear Resistance

Product Description

We have not restricted our overall business planning to manufacturing and exportation of machines/equipment. We welcome potential buyers and overseas distributors to contact us for manufacturing of OEM products/machines. We are also looking forward to receiving all sincere and genuine overseas business proposals for possible establishment and development of manufacturing products and development at our industrial zone. We do have available infrastructure and facilities available for positive joint ventures.
