Applications:

One of the most important accessories to have on hand when trimming hooves is the hoof pad glue. Chuangpu's HL-Q30B-2 comes with imported glue from Sweden that is specially designed for use with rubber hoof pads. This glue is strong and durable, ensuring that the pads stay in place and provide the necessary support and protection for the animal's hooves.

Whether you are a professional hoof trimmer or a farmer who is looking to take care of your own livestock, these tools are perfect for any occasion. They are ideal for use in a variety of scenarios, including:

Regular maintenance of cow, cattle, and horse hooves

Preventing and treating hoof diseases and injuries

Preparing animals for shows and exhibitions

Improving overall herd health and productivity

The HL-Q30B-2 comes with a wooden pad that is perfectly acceptable for use with the hoof pad glue. This makes it easy to stick the rubber hoof pads onto the animal's hooves, ensuring a secure fit that will not come loose during normal activity.

Overall, the Chuangpu HL-Q30B-2 cattle hoof trimming tools are an excellent choice for anyone looking for high-quality, reliable tools to help maintain the health of their livestock's hooves. Whether you are dealing with a single animal or an entire herd, these tools are sure to help you get the job done quickly and efficiently.
