

## Hoof Pad Glue 24-Element Epoxy Mixing Nozzles Compatible Two Part Adhesives

Our Product Introduction

more products please visit us on [mobilemilkingmachine.com](http://mobilemilkingmachine.com)

### Basic Information

- Place of Origin: China
- Brand Name: Chuangpu
- Model Number: HL-Q30C-1
- Minimum Order Quantity: 1 PCS
- Price: \$0.77/PCS
- Delivery Time: 3-5 working days
- Payment Terms: T/T
- Supply Ability: 50000PCS /Month

### Product Specification

- Mixing Element: 24 Element
- Material: Epoxy
- Mixing Nozzle Type: Static Mixing Nozzles
- Simplified Process: No Need For Additional Mixing And Stirring Tools For Cleanup
- Suitable For: Two-Part Adhesive Cartridges
- Compatibility: Glue With Different A And B Ratios And Large Viscosity Error
- Item: Epoxy Mixing Nozzle
- Highlight: **24-Element Hoof Pad Glue, Two Part Hoof Pad Glue, Epoxy Mixing Hoof Pad Glue**

### Product Description:

The Cattle Hoof Trimming Tools product is compatible with glue with different A and B ratios and large viscosity error, making it a versatile tool that can be used in a wide range of situations. The mixing element of this tool consists of 24 elements, ensuring that the glue is mixed thoroughly and evenly before application.

The material used in the Cattle Hoof Trimming Tools product is epoxy, a durable and long-lasting material that can withstand the wear and tear of regular use. This material is also resistant to moisture and chemicals, making it ideal for use in a farming environment.

The mixing nozzle type used in the Cattle Hoof Trimming Tools product is static mixing nozzles, which are known for their precision and accuracy. These nozzles ensure that the glue is mixed thoroughly and evenly, resulting in a strong and secure bond between the hoof pad and the cow's hoof.

Overall, the Cattle Hoof Trimming Tools product is an essential tool for any farmer who wants to take care of their livestock properly. With its simplified process, compatibility with different glues, and high-quality mixing element and nozzle, this tool makes hoof trimming a breeze. It is especially useful for those dealing with cow hoof pad issues, as it ensures a strong bond between the hoof pad and the cow's hoof.

### Features:

Product Name: Cattle Hoof Trimming Tools

Simplified Process: No Need For Additional Mixing And Stirring Tools For Cleanup

Suitable For: Two-Part Adhesive Cartridges

Mixing Element: 24 Element

Mixing Nozzle Type: Static Mixing Nozzles

Material: Epoxy

Features Rubber Hood Pad for Comfortable Grip

Designed for Easy Application of Hoof Pad

Perfect for Cattle Hoof Trimming

### Technical Parameters:

Technical Parameter	Description
Item	Epoxy Mixing Nozzle
Mixing Element	24 Element
Compatibility	Glue With Different A And B Ratios And Large Viscosity Error
Suitable For	Two-Part Adhesive Cartridges
Mixing Nozzle Type	Static Mixing Nozzles
Material	Epoxy
Simplified Process	No Need For Additional Mixing And Stirring Tools For Cleanup
Compatible with	Hoof Pad, Rubber Hood Pad, Rubber Hood Pad

### Applications:

The Chuangpu HL-Q30C-1 Cattle Hoof Trimming Tools are suitable for a wide range of applications. The product can be used in a variety of scenarios, including dairy farms, beef farms, and veterinary clinics. The tools can be used to trim cow hoof pads, rubber hood pads, and hoof pads of other animals as well. The product is designed to provide a quick and easy solution to trimming and maintaining animal hooves.

The product is easy to use, thanks to its simplified process. The Chuangpu HL-Q30C-1 Cattle Hoof Trimming Tools do not require any additional mixing or stirring tools for cleanup, making them a convenient and time-saving option for users. The product comes with a 24-element mixing element that ensures optimal mixing of two-part adhesive cartridges. The epoxy mixing nozzle is compatible with glue with different A and B ratios and large viscosity error, making it an all-in-one solution for animal hoof trimming.

The Chuangpu HL-Q30C-1 Cattle Hoof Trimming Tools are ideal for anyone who wants to maintain the health and well-being of their animals. The product is suitable for use in a variety of applications and is built to last, making it a reliable and long-lasting investment for

any user. Whether you are a farmer, rancher, or veterinarian, these tools are an essential addition to your toolkit.

## BOTTLE GLUE HEAD

WE ALWAYS ADHERE TO RIGOROUS MANAGEMENT, THE FOUNDATION OF METICULOUS MANUFACTURING,  
PRODUCE PRODUCTS THAT MEET THE MARKET'S RULES AND CUSTOMER NEEDS.

**Product Model:** HL-Q30C、HL-Q30C-1

**Product weight:** 9g/pc

**Product Features:** Built-in thread design, with the use of quick-setting AB glue, fast and uniform mixing, fast extrusion, not easy to block, save glue, good mixing effect!
