Product Description:

The dual-component cartridge gun is made in Germany, ensuring top quality and precision. With a 1:1 mix ratio, you can be sure that your trimming is accurate every time. The cartridge gun has a capacity of 200ml and 210ml, providing enough space for all your trimming needs.

The Cattle Hoof Trimming Tools are essential for maintaining the health of your cattle's hooves. The hoof pad is a crucial part of the hoof, and trimming it can prevent various hoof diseases and infections. The Cattle Hoof Trimming Tools make trimming the hoof pad a breeze, ensuring that your cattle's hooves are always healthy.

Invest in the Cattle Hoof Trimming Tools today and ensure that your cattle's hooves are always in top condition. With its heavy-duty metal construction, dual-component cartridge gun, and precision trimming capabilities, you can't go wrong.

Features:

Product Name: Cattle Hoof Trimming Tools

Mix Ratio: 1:1 Mix

Capacity: 200ml,210ml

Weight: 1.23KG

Model: HL-Q30D

Material: Heavy Duty Metal

Features:

Rubber Hood Pad for comfortable use

Designed for efficient trimming of cow hooves

Easy to use 1:1 mix ratio

Durable heavy duty metal construction

Technical Parameters:

Drive System	Manual Drive
Capacity	200ml,210ml
Item	Dual Component Cartridge Gun
Weight	1.23KG
Material	Heavy Duty Metal
Mix Ratio	1:1 Mix
Model	HL-Q30D
Origin	Germany

Applications:

Farmers: Farmers who own cows can use the Chuangpu HL-Q30D Cattle Hoof Trimming Tools to maintain the health of their cows. The tools can be used to trim cow hooves, which is important for preventing hoof diseases and infections. The tools are also useful for removing any excess hoof pad, which can cause discomfort to the cow.

Veterinarians: Veterinarians who work with cows may also find the Chuangpu HL-Q30D Cattle Hoof Trimming Tools to be useful. They can use the tools to trim cow hooves and remove any excess hoof pad. This can help prevent infections and other health problems in cows.

Ranchers: Ranchers who raise cows for meat or milk can use the Chuangpu HL-Q30D Cattle Hoof Trimming Tools to maintain the health of their cows. The tools can be used to trim cow hooves and remove any excess hoof pad. This can help prevent infections and other health problems in cows, which can affect the quality of the meat or milk.

Farms and Ranches: Farms and ranches that have a large number of cows can benefit from using the Chuangpu HL-Q30D Cattle Hoof Trimming Tools. The tools can be used to trim the hooves of all the cows on the property, ensuring that they are all healthy and free from infections or other health problems.

Dairy Farms: Dairy farms can use the Chuangpu HL-Q30D Cattle Hoof Trimming Tools to maintain the health of their cows. The tools can be used to trim cow hooves and remove any excess hoof pad. This can help prevent infections and other health problems in cows, which can affect the quality of the milk.

Cattle Shows: Cattle shows are another occasion where the Chuangpu HL-Q30D Cattle Hoof Trimming Tools may come in handy. The tools can be used to trim the hooves of show cows, ensuring that they look their best and are free from any health problems. The tools can also be used to remove any excess hoof pad, which can cause discomfort to the cow. Overall, the Chuangpu HL-Q30D Cattle Hoof Trimming Tools are a versatile and useful tool for anyone who works with cows. Whether you are a farmer, veterinarian, rancher, or are involved in cattle shows, these tools can help you maintain the health of your cows and ensure that they are free from infections or other health problems related to the cow hoof pad.

DISPENSING GUN

WE ALWAYS ADHERE TO RIGOROUS MANAGEMENT, THE FOUNDATION OF METICULOUS MANUFACTURING,
PRODUCE PRODUCTS THAT MEET THE MARKET'S RULES AND CUSTOMER NEEDS

Product Material: Stainless steel

Product Model: HL-Q30D

Product weight: 1.23kg

Product Features:

Specially sized for bovine hoof adhesives to ensure minimum consumption per tube and reduced replacement of material cartridges, light weight, easy handling and long lasting durability.
