### Product Description:

With a volume of 350ml, this hoof spray is a great investment for any farmer or livestock owner looking to maintain the health and wellbeing of their cattle. The cream color is a refreshing change from the usual black or brown hoof sprays, and the green accents make it easy to spot in your toolkit.

The Lvle Spray Repair Hoof Spray is an essential tool for cow hoof trimming. It helps in repairing damaged hooves caused by various factors such as poor nutrition, harsh environmental conditions and bacterial infections. Not only does it repair the hoof, but it also protects it from further damage.

This hoof spray is made with high-quality ingredients that are safe for your cattle and the environment. It is easy to apply, and the spray nozzle ensures that the product is spread evenly on the hoof. Its fast-drying formula ensures that your cattle can get back on their feet quickly.

The Lvle Spray Repair Hoof Spray is suitable for use on all types of cow hoof pads, including rubber hood pads. It is an effective treatment for a range of hoof problems such as cracks, abscesses and infections. Regular use of this product can help maintain the health and wellbeing of your cattle, thereby increasing their productivity and profitability.

In conclusion, the Lvle Spray Repair Hoof Spray is a must-have product for any farmer or livestock owner looking to maintain the health of their cattle's hooves. With its unique formula and easy application, this hoof spray is an investment that pays off in the long run. So why wait? Order your Lvle Spray Repair Hoof Spray today and give your cattle the care and attention they deserve.

### Applications:

The Chuangpu HL-Q32 Cow Hoof Trimming Tool is perfect for use in various occasions and scenarios. It is ideal for use in large dairy farms, small family farms, and even in professional veterinary clinics. The tool is suitable for trimming the cow's hooves, which can cause discomfort if not treated. With this product, farmers can ensure that their cows are always comfortable and healthy.

The product is easy to use and can be used by anyone, regardless of their experience in cow hoof trimming. The tool has a rubber hood pad that ensures that the cow's hoof is held securely in place during the trimming process. This feature makes the product safe and easy to use, even for beginners.

The Chuangpu HL-Q32 Cow Hoof Trimming Tool is also perfect for use in situations where the cow's hoof pad needs repair. The tool can be used to repair the hoof pad, ensuring that the cow is comfortable and healthy. Additionally, the Lvle Spray Repair Hoof Spray is a perfect accompaniment to the Chuangpu HL-Q32 Cow Hoof Trimming Tool. This 350ml spray is specially formulated to repair and protect the cow's hoof pad. The cream color of the spray matches the green color of the Chuangpu HL-Q32 Cow Hoof Trimming Tool, making them a perfect pair.

The Chuangpu HL-Q32 Cow Hoof Trimming Tool is also designed to be efficient, with a spray quantity of about 150 times. This feature makes the product cost-effective and ideal for use in large farms. The product's durability ensures that it can withstand frequent use,

making it a valuable tool for any farmer or rancher.

# HOOF TRIMMING SPRAY

WE ALWAYS ADHERE TO RIGOROUS MANAGEMENT, THE FOUNDATION OF METICULOUS MANUFACTURING,  
PRODUCE PRODUCTS THAT MEET THE MARKET'S RULES AND CUSTOMER NEEDS

**Product Model:**HL-Q32

**Product Specification:**350ML/bottle
