Product Description:

Featuring a classic green with black color scheme, this collar is both stylish and functional. It's easy to spot in a field of cows, and the black buckle and rings provide a strong and secure fit.

One of the best features of this Cow Collar is its customization options. Engraving is available, so you can personalize each collar with important information such as the cow's name, identification number, or your farm's name. This makes it easy to keep track of your cows and ensure they stay safe and healthy.

Durability is key when it comes to a cow neck belt, and our Cow Collar does not disappoint. Made from high-quality materials, this collar is designed to withstand the wear and tear of daily use on the farm. It's built to last and can stand up to even the toughest conditions.

In summary, the Cow Collar is a reliable and durable cow neck belt designed for livestock management. It fits most cow breeds and features a green with black color scheme that is easy to spot. Customization options are available, and the collar is built to last with high-quality materials. Trust the Cow Collar to keep your cows safe and secure.

Applications:

The Cow Neck Belts are made of waterproof materials, which makes it perfect for use in any weather condition. It is ideal for use in farms, ranches, and other livestock facilities. The adjustable size feature of this product makes it fit for use in different types of cattle, regardless of their size.

This product is ideal for use in various scenarios, including breeding, grazing, and transportation. During breeding, the Cow Collar can be used to identify specific cows and monitor their breeding activities. In grazing, it can be used to monitor the grazing pattern of the cows and ensure that they do not stray too far from the grazing area.

The Cow Neckband is also perfect for use during transportation. It can be used to secure the cow during transportation and prevent it from getting injured or causing damage to the vehicle. Its waterproof feature makes it ideal for use during transportation in rainy weather. Cleaning the Cow Collar is easy, and all you need to do is wipe it clean with a damp cloth. This feature makes it easy to maintain and ensures that it lasts long. The Chuangpu HL-MP59B Cow Collar is a must-have for any livestock farmer who is serious about managing

their cattle effectively.
