Product Description:

Made of lightweight PE material, these gloves are comfortable to wear and easy to dispose of after use. Each piece weighs only 7 grams, making them convenient to store and transport.

Our Disposable Long Arm Gloves come in two colors: red and white. The bright red color provides high visibility, making them ideal for use in food processing or medical settings where contamination must be avoided. The white color is suitable for general use in any industry.

These gloves are perfect for a variety of tasks where disposable protective gloves are necessary. Whether you're working in a laboratory, a factory, or a restaurant, our Disposable Long Arm Gloves will keep you protected and hygienic.

Features:

Product Name: Disposable Long Arm Gloves

Color: Red, White

Ambidextrous: Yes

Tear Resistance: High

Fda Approved: Yes

Size: 90cm

These Disposable Long Arm Gloves are perfect for a variety of uses, including as Disposable Non Woven Gloves in the kitchen or as Disposable Medical Latex Gloves. Their high tear resistance and FDA approval make them a reliable choice for any task. And with the option to use them on either hand thanks to their ambidextrous design, these gloves are a versatile addition to any workplace or home.

Applications:

The Disposable Long Arm Gloves can be used in a range of scenarios, such as in laboratories, hospitals, clinics, and other healthcare settings. These gloves are suitable for use in medical procedures and examinations, providing hygienic protection for both healthcare professionals and patients.

In addition to medical settings, the Disposable Long Arm Gloves can also be used for food preparation and handling. They are ideal for use in restaurants, hotels, and other food service establishments to prevent cross-contamination and ensure food safety.

These gloves are also suitable for use in industrial settings, such as manufacturing and construction. They offer protection against chemicals, oils, and other hazardous materials, making them an essential safety measure for workers.

The Disposable Long Arm Gloves are a convenient and practical option for a range of applications. They are easy to use and dispose of, making them a cost-effective solution for businesses and organizations. In addition to the HDPE material, Chuangpu also offers Disposable TPE Gloves and Disposable Medical Gloves for different needs and preferences.
