### Product Description:

The bottle is designed with a Snap-on Type Nipple closure, ensuring that the milk stays safely inside the bottle until it is time to feed your calf. The white body of the bottle is easy to clean and durable, making it perfect for use on a farm where things can get dirty quickly.

The Nipple itself is a Teat With Cross Opening, which is perfect for allowing your calf to feed at their own pace. And with a Nipple Size of Medium (107x62mm), this Bottle for Calf Nourishment is perfect for calves of all sizes.

Our Calf Milk Bottle is a great investment for anyone who cares about their animals. With its sturdy construction, easy-to-use design, and perfect size, it is sure to become an essential tool in your farming operation.

### Features:

Bottle Body	With Hand
Closure Type	Snap-on Type Nipple
Material	PE
Nipple Type	Teat With Cross Opening
Suitable For	Calf
Age Range	Newborn To 6 Months
Nipple Size	Medium (107x62mm)

### Applications:

Our Calf Feeding Bottle is perfect for a variety of occasions and scenarios. For instance:

**Bovine Feeder:** Our product is specifically designed to be used as a bovine feeder. The medium-sized nipple (107x62mm) is perfect for calves to suckle on, and the bottle itself is easy to grip and handle, making feeding time a breeze.

**Juvenile Bovine Bottle:** Our Calf Feeding Bottle is suitable for juvenile bovines that are transitioning to solid food. This product makes it easy to provide the necessary nutrition and supplements for a growing calf.

**Cow Baby Nurturer:** Our product is perfect for caretakers who want to ensure that their cow babies are getting the proper nutrition they need to grow healthy and strong. The HL-MP51 Calf Feeding Bottle is easy to use and clean, and the medium-sized nipple ensures that the calf is getting the right amount of milk with each feeding.

Our Calf Feeding Bottle is easy to clean and maintain, as it can be hand washed with ease. It is also durable and long-lasting, making it a great investment for any farmer or caretaker who wants to ensure the health and well-being of their bovine babies.

Overall, the HL-MP51 Calf Feeding Bottle from Chuangpu is a great investment for anyone who wants an ergonomic, easy-to-use, and durable feeding bottle for their calves. Whether you're a farmer, caretaker, or simply someone who cares about the health and well-being of your bovine babies, our product is a great choice for all your feeding needs.

### Matching Nipple

Processed from food grade material, which is clean, hygienic and reliable; Squeeze out the remaining milk, put it in the water to clean, use acid lye or disinfection solution to clean every week, simple and practical
