### Product Description:

The bottle comes with a slow flow nipple which allows your calf to feed at a comfortable pace, preventing them from choking or getting too much milk too quickly. The nipple size is 107x62mm which means it is large enough for the calf to easily latch onto while feeding. The soft rubber nipple is gentle on your calf's mouth, preventing any discomfort or irritation.

This Calf Nursing Bottle is perfect for farmers who want to ensure their calves are well-fed and healthy. The bottle is easy to clean and maintain, making it a great investment for your farm. It is a must-have for any farmer who wants to provide the best possible care for their calves.

Order your Calf Nursing Bottle today and experience the convenience and quality of our product for yourself!
