### Product Description:

With a sleek and modern black design, this feeding nipple is both stylish and functional. It is easy to clean and maintain, ensuring that your calves will always receive the cleanest and healthiest milk possible. Whether you are a seasoned farmer or a novice cattle raiser, this feeding nipple is an indispensable tool for ensuring the health and well-being of your young calves.

The Calf Feeding Nipple is suitable for use with juvenile cow feeding teats, and can be used to feed a variety of different milk types. It is easy to install and use, making it a great choice for anyone who wants to ensure their calves receive the best possible care. Whether you are raising calves for meat or dairy production, this feeding nipple is an essential tool for ensuring their growth and development.

So if you are looking for a high-quality and reliable feeding nipple for your calves, look no further than the Calf Feeding Nipple. Made from durable rubber and designed to provide safe and efficient milk delivery, this feeding nipple is the perfect choice for anyone who wants to ensure the health and well-being of their young calves.

Quantity	1

### Applications:

This feeding bucket nipple is made in China by the reputable manufacturer Chuangpu, ensuring that you can trust its quality and durability. The milkout is situated at the top of the nipple, with a groove type that helps to prevent spillage. Its size of 68x38.5mm makes it a comfortable fit for most calves.

The Chuangpu HL-MP77A Calf Feeding Nipple is an essential product for any farmer or livestock owner. It is perfect for use in a variety of occasions and scenarios, including:

Feeding young calves who have been separated from their mothers

Feeding calves who are too weak or sick to nurse on their own

Providing supplementary feed to calves who are not getting enough milk from their mothers

Training young calves to drink from a bottle or bucket

Feeding orphaned calves who have lost their mothers

Overall, the Chuangpu HL-MP77A Calf Feeding Nipple is an excellent product that is perfect for all your calf feeding needs. Its slow flow,

top milkout, and groove type make it a comfortable and convenient option for both you and your calves.
