Product Description:

The Sturdy Handle of the calf feeding bucket makes it easy to carry around, whether you're moving it from one feeding stand to another or just storing it away. The green/gray color of the bucket adds a touch of style to the functionality, making it a great addition to any farm. The Easy Pouring feature of this product makes feeding your baby heifer a breeze. You won't have to worry about spills or messes thanks to the well-designed pouring spout. Additionally, the included scale ensures that you can measure the exact amount of milk or feed that your calf needs.

This Calf Nourishment Bucket is compatible with most feeding stands, so you won't have to worry about buying additional equipment. The Junior Bovine Nourishment Pail is easy to clean, so you can use it time and time again without any hassle.

In conclusion, the Calf Nourishment Bucket is a must-have for any farm owner who wants to ensure their baby heifers are well-fed. With its durable construction, easy-to-use pouring spout, and compatibility with most feeding stands, this product is a great investment for any farmer.

Features:

Product Name: Calf Feeding Bucket

Material: PP

Capacity: 1.5 Gallons (8L)

Durability: Heavy-Duty

Cleaning: Easy To Clean

Usage: For Feeding Lambs

Keywords: Baby Heifer Feeding Tub, Junior Bovine Nourishment Pail, Infant Bull Feeder

Technical Parameters:

Cleaning	Easy To Clean

Capacity	1.5 Gallons (8L)
Color	Green / Gray
Scale	Yes
Handle	Metal
Features	Reinforced Rim, Sturdy Handle, Easy Pouring
Measurement	L
Compatibility	Fits Most Feeding Stands
Material	PP

Applications:

The Calf Nourishment Bucket is designed to be used during the feeding process of young calves. The bucket is equipped with 2 to 5 nipples, making it easy to feed multiple calves at once. The nipples are easy to install and can be adjusted to fit the needs of the calves. The bucket also features a reinforced rim, sturdy handle, and easy pouring spout, making it easy to handle and pour without spilling any milk.

The bucket also comes with a scale, which is a useful tool for farmers who need to measure the amount of milk each calf is consuming. This allows farmers to monitor the health and growth of each calf and make any necessary adjustments to their feeding regimen.

The Calf Nourishment Bucket is compatible with most feeding stands, making it a versatile tool for farmers and ranchers with different feeding setups. The bucket is available in two colors, green and gray, allowing farmers to choose the color that best matches their equipment and environment.

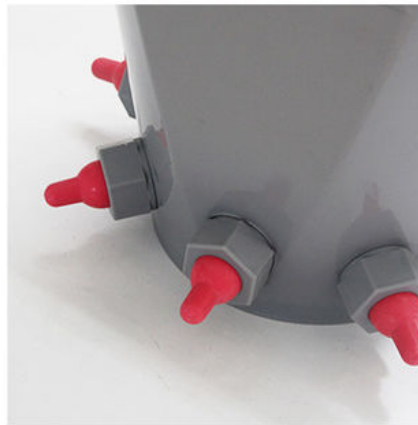

Overall, the Chuangpu HL-MP70A Calf Nourishment Bucket is an essential tool for farmers and ranchers raising young calves. Its sturdy construction, easy-to-use nipples, and helpful scale make it a valuable asset in any calf feeding operation.

NIPPLE

HL-MP77

It is made of food grade materials and is clean and hygienic; When cleaning the nipple, squeeze out the remaining milk, placed in water cleaning, Weekly cleaning with acid or alkaline solution or disinfectant.
