Product Description:

The rubber nipple type ensures that the calves are able to easily and comfortably drink the milk, while also minimizing the risk of spillage. The durable construction of the bucket ensures that it can withstand the wear and tear of daily use on the farm.

In addition to being durable, the Junior Bovine Nourishment Pail is also incredibly easy to clean. Simply rinse out the bucket with soap and water after each use to keep it in pristine condition.

Overall, if you are looking for a reliable and high-quality calf milk dispensing container, the Junior Bovine Nourishment Pail is an excellent choice. Its durable construction, easy-to-clean design, and rubber nipple type make it the perfect tool for providing nourishment to young calves. Order your Junior Bovine Nourishment Pail today and ensure that your calves are getting the nutrition they need to grow and thrive.

Features:

Product Name: Calf Feeding Bucket

Nipple Quantity: 1

Lid: No

Scale: Bucket Body With Scale

Bucket Type: Single Calf Feeding

Nipple Size: 38.5x68mm

This Milk Distribution Pail is perfect for feeding baby heifers. The Calf Feeding Bucket comes with a single nipple and a bucket body with a scale. The lid is not included and the nipple size is 38.5x68mm.

Technical Parameters:

Milk Distribution Pail Name	Calf Nourishment Bucket
Bottle Material	PP
Nipple Quantity	1
Nipple Type	Rubber
Scale	Bucket Body With Scale
Capacity	4 Liters
Lid	No
Nipple Size	38.5x68mm
Bucket Type	Single Calf Feeding
Installation	Can Be Hung On Tube Directly
Feature	Easy To Clean, Durable

Applications:

One of the great features of this product is that it can be hung on a tube directly, making it easy to install and use. The gray color of the bucket gives it a professional look and makes it easy to identify in a crowded barn.

The Chuangpu HL-MP70B Calf Feeding Bucket is ideal for a variety of occasions and scenarios. For example, it is perfect for farmers who are in need of a simple and efficient way to feed calves. It is also an excellent choice for those who are raising calves for dairy production, as it allows for precise and controlled feeding.

Additionally, this juvenile bovine food carrier is perfect for those who are seeking a durable and long-lasting product. Made in China, it is designed to withstand harsh conditions and last for many years.

In summary, the Chuangpu HL-MP70B Calf Feeding Bucket is a high-quality product that is perfect for those in need of a reliable and efficient way to feed their calves. Its single nipple and rubber nipple type make it ideal for feeding one calf at a time, while its easy installation and gray color make it a great choice for any barn. So, whether you're a farmer or a dairy producer, the Chuangpu HL-MP70B
