Product Description:

Measuring 36mm in diameter and 100mm in length, this Square-shaped Rumen Magnet is the perfect size to be swallowed by cows, allowing it to work effectively in their rumen. It attracts and holds any metal objects that may have been accidentally ingested by the cows, preventing them from causing damage to the cow's digestive system.

Our Rumen Magnet is manufactured in China, ensuring the highest standards of quality and durability. It is easy to use and can be administered orally by simply placing it at the back of the cow's tongue and allowing it to be swallowed.

Don't risk your cows' health and well-being by ignoring the risk of Hardware Disease. Invest in our Heavy Duty Rumen Magnet today and ensure the longevity and productivity of your herd.

Features:

Product Name: Rumen Magnet
Country Of Origin: China
Weight: 0.12kg
Dia.: 36mm
Product Type: Rumen Magnet
Durability: Strong And Long-lasting
Features:
Magnetic rod for Cow Rumen
Large and strong Rumen Magnet
Stainless steel Rumen Magnet

Technical Parameters:

Product Type:	Cow magnet Rumen Magnet
Manufacturer:	Chuangpu
Application:	Cattle
Usage:	Prevent Hardware Disease
Material:	Rare Earth Magnet
Country Of Origin:	China
Weight:	0.12kg
Length:	100mm
Durability:	Heavy duty Rumen Magnet, Strong And Long-lasting
Color:	Green

Applications:

The Veterinary Rumen Magnet is designed to be inserted into the rumen of cattle to attract any metal objects that the animals may have ingested unknowingly while grazing, which could result in hardware disease. The Chuangpu Rumen Magnet is an excellent solution to this problem.

The Cow Rumen Magnet is suitable for use in various scenarios, such as in farms, ranches, and veterinary clinics. It is a great product for preventing hardware disease in cattle, which is a common problem in the farming industry.

Due to the durability of the materials used in this product, it is long-lasting and can withstand harsh environments. It can be used multiple times, and it's easy to clean and maintain for future use.

The Chuangpu HL-Q9 Rumen Magnet is made in China, which is known for its quality manufacturing processes. It is a reliable and trustworthy product that can be used by farmers, ranchers, and veterinarians alike.

In conclusion, if you're a cattle farmer or veterinarian looking for an effective solution to prevent hardware disease in animals, the

Chuangpu HL-Q9 Rumen Magnet is the perfect product for you. Its strong and long-lasting stainless steel design, coupled with its effectiveness in attracting metal objects, makes it a valuable addition to any farm or veterinary clinic.
