Product Description:

The Plastic Feed Dispensing Shovel is a versatile tool designed for feeding animals with ease and efficiency. With its high durability, this grain scoop shovel is built to withstand regular use in various feeding tasks. Weighing only 0.2kg, it is lightweight and easy to handle, making it suitable for all users.

Whether you are feeding livestock, poultry, or pets, this plastic feed shovel is the perfect companion for your daily feeding routine. Its multi-functional design allows for efficient dispensing of grains, pellets, and other feed types, making it a convenient tool for any animal feeding setup.

The bright pink color of this grain scoop for feeding adds a fun and vibrant touch to your feeding equipment collection. Not only is it practical and functional, but it also brings a pop of color to your barn or farmyard.

Featuring a sturdy plastic construction, this feed shovel is designed to last, providing you with a reliable tool for all your feeding needs.

Say goodbye to flimsy shovels that break easily – this high-quality plastic shovel is here to stay.

Whether you are a farmer, homesteader, or pet owner, the Plastic Feed Dispensing Shovel is a must-have tool for efficient and hassle-free feeding. Its lightweight design and ergonomic handle make it comfortable to use, reducing strain on your hands and wrists during feeding sessions.

With its multi-functional capabilities, this grain scoop shovel is not limited to just feeding tasks. Use it for scooping and transferring various materials around your farm or garden, making it a versatile tool for everyday chores.

Invest in the Plastic Feed Dispensing Shovel today and experience the convenience and durability of a high-quality grain scoop for feeding. Its lightweight design, vibrant pink color, and multi-functional features make it a valuable addition to any animal feeding routine.

Features:

Product Name: Plastic Feed Shovel

Usage: Feeding

Width: 15CM

Technical Parameters:

Shape	Shovel
Width	15CM
Color	Pink
Durability	High
Length	33CM
Weight	0.2kg
Handle Material	Plastic
Usage	Feeding
Ergonomic Design	Yes
Non-Toxic	Yes

Applications:

The Plastic Feed Shovel by Chuangpu (Model: HL-MP99D) is a versatile tool designed for feeding animals in various settings. With its origins in China, this shovel is carefully crafted to meet the specific needs of feeding applications.

Shaped like a traditional shovel, this 33CM long Feed Scoop Shovel is ideal for dispensing feed to animals in farms, stables, and households. Its design allows for easy handling and efficient distribution of grains, pellets, and other feed types.

Whether you are feeding livestock, poultry, pets, or wildlife, the Plastic Feed Shovel offers a convenient solution for daily feeding routines.

The durable PP material ensures longevity and reliability, making it suitable for regular use. The vibrant pink color of this Feed Dispensing Scoop adds a touch of fun and visibility to the feeding process, making it easy to locate and distinguish among other tools. Its lightweight construction further enhances user comfort during feeding tasks. Farmers, animal caretakers, and pet owners can benefit from the practicality and functionality of this Grain Scoop for Feeding. From measuring out precise portions to distributing feed with ease, this shovel simplifies the feeding process and promotes efficiency. Whether you are feeding a single animal or managing a larger feeding operation, the Plastic Feed Shovel by Chuangpu is a valuable tool to have on hand. Its simple yet effective design caters to a wide range of feeding occasions and scenarios, making it a must-have accessory for any animal care environment.
