Product Description:

The Plastic Feed Shovel comes in two vibrant color options – Pink and Green, adding a touch of fun to your daily chores. The durable plastic construction ensures that this shovel is not only lightweight at just 0.19kg but also rust-resistant, making it suitable for various weather conditions and long-term use.

Designed for ease of use, the Plastic Feed Handling Scoop features a comfortable handle made of sturdy plastic. The ergonomic design of the handle provides a secure grip, allowing you to maneuver the shovel with precision and control. Say goodbye to hand fatigue and discomfort during extended feed handling sessions!

Whether you are scooping up feed for your horses, livestock, or pets, the Plastic Feed Shovel is a reliable companion. Its versatile design allows you to tackle a wide range of tasks with ease. Use it as a Grain Scoop Shovel for precise measurements or as a general feed handling tool for quick and efficient distribution.

With its lightweight construction and efficient design, the Plastic Feed Shovel is a practical addition to any barn, stable, or household. Simplify your feed handling routines and streamline your daily tasks with this versatile and durable shovel. Choose the Plastic Feed Shovel for a reliable tool that makes feeding time a breeze!

Width : 21CM

Technical Parameters:

Usage	Feeding
Shape	Round Spoon
Color	Pink/Green
Handle Material	Plastic
Material	PP
Weight	0.19kg
Non-Toxic	Yes
Ergonomic Design	Yes
Rust Resistant	Yes
Durability	High

Applications:

The Plastic Feed Shovel by Chuangpu, model number HL-MP99E, is a versatile tool suitable for a variety of product application occasions and scenarios. Manufactured in China, this plastic feed shovel is designed to be multi-functional and non-toxic, ensuring safe and efficient use.

With a round spoon shape and a width of 21CM, this plastic scoop shovel is ideal for feeding animals with grains and other feed. Its durable plastic construction makes it lightweight and easy to handle, while the ergonomic design of the handle provides a comfortable grip for extended use.

One of the key product application occasions for this grain scoop for feeding is on farms and agricultural settings. Farmers can use this plastic feed shovel to efficiently distribute grains and feed to livestock, making the feeding process quick and convenient.

Additionally, this grain scoop shovel is also suitable for use in pet care environments such as animal shelters, pet stores, and residential homes with pets. Pet owners can rely on this plastic scoop shovel to easily scoop and dispense pet food without worrying about any

harmful toxins affecting their beloved animals.

Furthermore, the versatility of this plastic feed shovel makes it a handy tool for gardening and landscaping tasks. Whether spreading fertilizer, mulch, or seeds, this plastic scoop shovel can help users complete various gardening projects with ease.

In conclusion, the Plastic Feed Shovel by Chuangpu is a reliable and practical tool that can be used in a wide range of scenarios. Its multi-functional design, non-toxic material, and convenient shape make it a must-have for anyone in need of a durable and efficient grain scoop for feeding.
