Basic Information

- Place of Origin: China
- Brand Name: Chuangpu
- Model Number: HL-MP99E
- Minimum Order Quantity: 1 PCS
- Price: Negotiable
- Packaging Details: Carton
- Delivery Time: 3-5 working days
- Payment Terms: T/T, Western Union,
- Supply Ability: 50000PCS /Month

Product Specification

- Easy To Clean: Yes
- Usage: Feeding
- Durability: High
- Ergonomic Design: Yes
- Width: 21CM
- Material: PP
- Color: Pink/Green
- Length: 36.5CM
- Highlight: **PP Plastic Feed Shovel,**
Multi Functional Plastic Feed Shovel,
Effortless Plastic Feed Shovel

Product Description:

Featuring a sturdy plastic construction, this Feed Dispensing Scoop is perfect for handling grains, pellets, and other feed types without the risk of rusting or corrosion. The plastic material ensures that the shovel is lightweight yet durable, making it easy to handle and maneuver during feeding tasks.

One of the key advantages of the Plastic Feed Shovel is its ease of cleaning. With its smooth plastic surface, this scoop can be quickly rinsed or wiped clean after each use, maintaining proper hygiene standards and preventing the buildup of contaminants or bacteria. Designed specifically for feeding purposes, this Plastic Grain Scoop offers a convenient solution for distributing feed to animals in a controlled and efficient manner. The scoop's wide mouth and deep basin allow for easy loading and dispensing of feed, reducing spillage and waste in the feeding area.

In addition to its primary function as a feed shovel, this versatile tool is also Multi-Functional, making it a valuable asset for various agricultural and household tasks. Whether scooping feed, spreading mulch, or moving small amounts of material, the Plastic Feed Shovel proves to be a practical and reliable tool for everyday use.

Furthermore, the Plastic Feed Shovel is designed with safety in mind, featuring non-toxic materials that are safe for both users and animals. The use of plastic ensures that no harmful chemicals or substances are introduced into the feed, preserving the quality and integrity of the feed supply.

With its durable plastic construction, easy-to-clean design, and versatile functionality, the Plastic Feed Shovel is an essential tool for any animal owner or agricultural worker. Simplify your feeding routine and ensure the well-being of your animals with this reliable and practical Feed Dispensing Scoop.

Features:

Product Name: Plastic Feed Shovel

Weight: 0.19kg

Multi-Functional: Yes

Non-Toxic: Yes

Color: Pink/Green

Width: 21CM

Technical Parameters:

Durability	High
Rust Resistant	Yes
Handle Material	Plastic
Easy To Clean	Yes
Ergonomic Design	Yes
Multi-Functional	Yes
Material	PP
Weight	0.19kg
Width	21CM
Color	Pink/Green

Applications:

The Plastic Feed Shovel by Chuangpu, model number HL-MP99E, is a versatile tool designed for various feeding applications in agriculture and farming. Manufactured in China, this durable shovel is specifically crafted for feeding livestock and handling grains. With its round spoon shape, the Plastic Feed Shovel is ideal for scooping and distributing grains, making it a perfect Grain Scoop for Feeding purposes. The high durability of this shovel ensures a long service life, even when used in demanding agricultural environments. Thanks to its rust-resistant properties, the Plastic Feed Shovel remains in top condition despite exposure to moisture and feed materials.

Its ergonomic design enhances user comfort and efficiency, reducing strain during repetitive feeding tasks. The Plastic Feed Shovel is suitable for a wide range of occasions and scenarios in agriculture, including feeding livestock such as cattle, horses, and poultry. Farmers and ranchers can rely on this sturdy shovel to streamline the feeding process and ensure animals receive the necessary nutrition. Whether used in barns, pastures, or feed storage areas, the Plastic Feed Shovel excels in handling various types of grains with ease. Its efficient design and reliable performance make it a must-have tool for any farm or agricultural operation. In conclusion, the Chuangpu Plastic Feed Shovel, model HL-MP99E, is a versatile and durable tool that meets the needs of farmers and livestock owners. Its functionality as a Grain Scoop for Feeding, combined with its high durability, rust resistance, and ergonomic design, makes it an essential tool for efficient feeding operations in agricultural settings.
