Product Description:

The Plastic Feed Shovel is a versatile tool that is suitable for scooping debris, making it an essential addition to your gardening or farming equipment. With its sturdy construction and ergonomic design, this shovel is designed to handle various tasks efficiently. Available in three vibrant colors - Rose Red, Red, and Blue, the Plastic Feed Shovel not only serves its purpose effectively but also adds a pop of color to your gardening or farming routine. The colorful options make it easy to differentiate between shovels if you have multiple ones in use.

One of the key highlights of this product is its non-toxic nature, ensuring that it is safe to use for handling feed, grains, or any other material. This feature is particularly important for agricultural settings where the shovel comes in contact with food items or animals. Furthermore, the Plastic Feed Shovel is designed to be durable, with a robust build that can withstand regular use and handling of various materials. Whether you are using it to scoop grains, debris, or feed, this shovel is built to last, making it a reliable tool in your collection. In addition to its primary function as a grain scoop shovel, the Plastic Feed Shovel is also multi-functional, allowing you to use it for various tasks around your garden, farm, or outdoor space. Its versatile design makes it a handy tool for scooping, transporting, and spreading materials with ease.

Whether you need a reliable grain scoop shovel for feeding livestock, cleaning up debris, or handling gardening tasks, the Plastic Feed Shovel is a practical and versatile choice. With its colorful options, non-toxic material, durability, and multi-functional design, this shovel is a valuable tool for any gardening or farming enthusiast.

Features:

Product Name: Plastic Feed Shovel

Suitable For Scooping Debris: Yes

Technical Parameters:

Rust-Resistant	Yes
Durable	Yes
Suitable For Scooping Debris	Yes
Length	22.5CM
Easy To Clean	Yes
Ergonomic Handle	Yes
Suitable For Gardening	Yes
Material	Plastic
Color	Rose Red, Red, Blue
Weight	192G

Applications:

The Chuangpu Plastic Feed Shovel, model number HL-MP99F, is a versatile tool designed for various product application occasions and scenarios. With its lightweight design weighing only 192g, this scoop shovel is ideal for handling feed, grains, and other materials in different settings.

Thanks to its ergonomic handle, this plastic feed handling scoop is comfortable to hold and use for extended periods. The easy-to-clean feature ensures convenient maintenance, making it a practical choice for busy farming or gardening tasks.

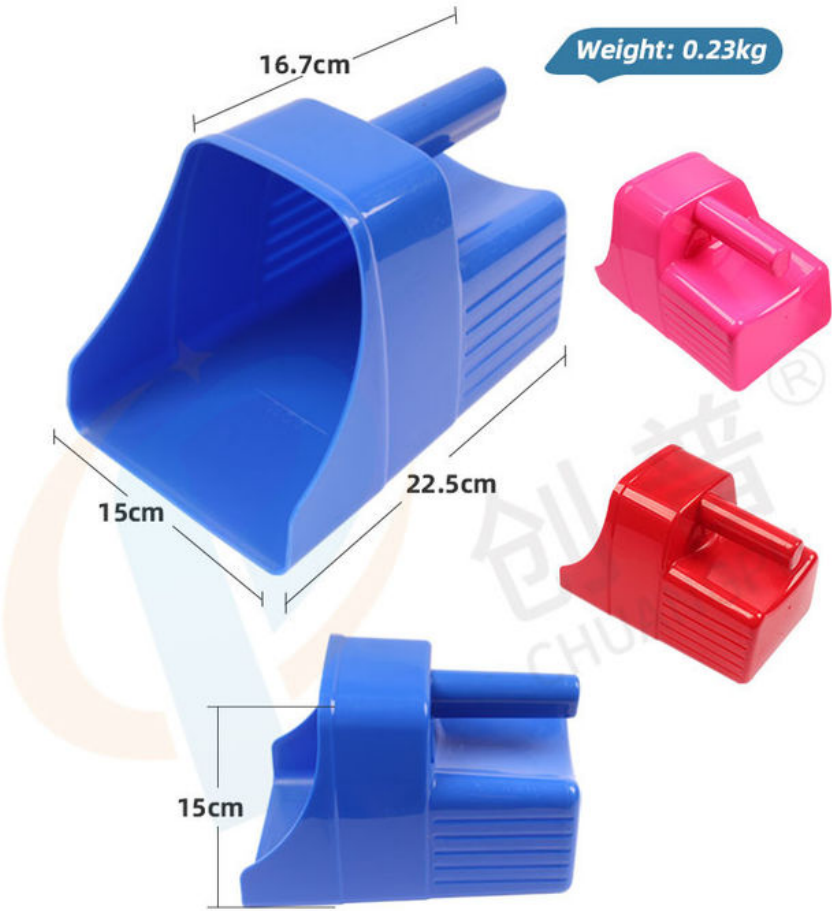

The Chuangpu Plastic Feed Shovel is a multi-functional tool that can be used for a wide range of applications. Whether you need to scoop feed for livestock, transport grains for feeding, or handle other materials in your gardening projects, this shovel is up to the task.

Originating from China, this high-quality shovel offers durability and reliability, making it a valuable addition to your farming or gardening equipment. Its suitability for gardening tasks further enhances its versatility, allowing you to tackle different projects with ease. Whether you are a professional farmer, a hobbyist gardener, or simply need a reliable tool for handling feed and grains, the Chuangpu Plastic Feed Shovel is a practical choice. Its lightweight design, ergonomic handle, easy-to-clean feature, and multi-functional capabilities make it a must-have tool for various product application occasions and scenarios.
