

Maximize Milking Efficiency 150CC Milking Machine Claw 0.43kg

Our Product Introduction

more products please visit us on mobilemilkingmachine.com

Basic Information

- Place of Origin: China
- Brand Name: Chuangpu
- Model Number: HL-M01
- Minimum Order Quantity: 1 PCS
- Price: Negotiable
- Packaging Details: Carton
- Delivery Time: 3-5 working days
- Payment Terms: T/T, Western Union,
- Supply Ability: 5000PCS /Month

Product Specification

- Weight: 0.43kg
- Shut-off Valve: Yes
- Milk Outlet Diameter: 19mm
- Range: Cow Milking Machine Replacement Parts
- Claw Type: Four-Prong
- Cap Material: PC
- Liner Outlet Diameter: 13mm
- Air Outlet Diameter: 9.5mm
- Highlight: milking machine parts Claw,
Milking Machine Claw,
150CC Milking Machine Claw

Product Description:

The Milking Machine Claw is engineered with precision, featuring an air outlet diameter of 9.5mm that facilitates smooth air flow for consistent suction. This design ensures gentle and efficient milking, promoting the well-being of the dairy animals. Additionally, the inclusion of a shut-off valve allows for convenient control over the milk flow, reducing spillage and wastage.

Designed for practicality and durability, the milk collector of this claw boasts a milk outlet diameter of 19mm, enabling swift and efficient milk transfer from the cow to the storage container. The sturdy plastic claw base provides stability and support during the milking process, ensuring reliable performance with each use.

Whether you are a seasoned dairy farmer or new to milking operations, the Milking Machine Claw is a valuable asset that simplifies the milking process and optimizes milk collection. Its user-friendly design and high-quality construction make it a reliable tool for enhancing productivity on the farm.

Invest in the Milking Machine Claw today and experience the convenience and efficiency of a premium milking claw designed to meet the needs of modern dairy operations. Say goodbye to traditional milking methods and elevate your milking process with this advanced cow milk machine claw that delivers superior performance and results.

Features:

Product Name: Milking Machine Claw
 Air Outlet Diameter: 9.5mm
 Cap Material: PC
 Claw Base: Plastic
 Range: Cow Milking Machine Replacement Parts
 Milk Outlet Diameter: 19mm

Technical Parameters:

Milk Outlet Diameter	19mm
Weight	0.43kg
Item	Cow Milking Machine Claw
Claw Type	Four-Prong
Capacity	150CC
Model	HL-M01
Range	Cow Milking Machine Replacement Parts
Air Outlet Diameter	9.5mm
Shut-off Valve	Yes
Claw Base	Plastic

Applications:

The Chuangpu HL-M01 milking machine claw is a versatile and efficient dairy machine claw used in various milking scenarios. With its high-quality construction and reliable performance, this milking cluster is suitable for a wide range of applications in the dairy industry. One of the primary product application occasions for the HL-M01 milking machine claw is in commercial dairy farms. The claw's durable plastic base and precise engineering make it ideal for use in large-scale milking operations where efficiency and productivity are key. The 19mm milk outlet diameter ensures smooth milk flow, while the 13mm liner outlet diameter and 9.5mm air outlet diameter contribute to effective udder suction, ensuring thorough and gentle milking.

Another key scenario where the Chuangpu HL-M01 milking machine claw excels is in small-scale dairy operations. Whether in a family-owned farm or a hobbyist setting, this udder suction claw provides reliable performance and ease of use. The compact design and user-friendly features make it a practical choice for those looking to streamline their milking process.

Furthermore, the HL-M01 milking machine claw is also well-suited for research and educational purposes. Its precise construction and

consistent milking performance make it an excellent tool for studying milking techniques and conducting experiments in dairy science. Overall, whether used in commercial dairy farms, small-scale operations, or educational settings, the Chuangpu HL-M01 milking machine claw proves to be a reliable and efficient tool for all milking needs.

150CC Milk Claw

Model: M01
Capacity: 150CC
Material: PC/PPSU
Base: Plastic
Applicable: COW

Milk Outlet Dia: 19mm
Liner Outlet Dia: 13mm
Air Outlet Dia: 9.5mm
Weight: 0.43kg
Packing: carton

Model: M01B
Capacity: 150CC
Material: PC/PPSU
Base: SS
Applicable: COW

Milk Outlet Dia: 19mm
Liner Outlet Dia: 13mm
Air Outlet Dia: 9.5mm
Weight: 0.83kg
Packing: carton
