

## 150ml Cow Milking Machine Claw with Shut-off Valve Ensures Clean and Hygienic Milking Process

Our Product Introduction

more products please visit us on [mobilemilkingmachine.com](http://mobilemilkingmachine.com)

### Basic Information

- Place of Origin: China
- Brand Name: Chuangpu
- Model Number: HL-M01B
- Minimum Order Quantity: 1 PCS
- Price: Negotiable
- Packaging Details: Carton
- Delivery Time: 3-5 working days
- Payment Terms: T/T, Western Union,
- Supply Ability: 5000PCS /Month

### Product Specification

- Cap Material: PPSU /PC
- Claw Type: Four-Prong
- Range: Cow Milking Machine Replacement Parts
- Liner Outlet Diameter: 13mm
- Air Outlet Diameter: 9.5mm
- Milk Outlet Diameter: 19mm
- Model: HL-M01B
- Item: Cow Milking Machine Claw
- Highlight: **150ml Milking Machine Claw, Shut-off Valve Milking Machine Claw, Hygienic Milking Machine Claw**

### Product Description:

Weighing in at just 0.83kg, the Milking Machine Claw is lightweight and easy to handle, ensuring that it does not cause any strain during use. Its compact size and ergonomic design make it a versatile and practical tool for any dairy farm.

The Milking Machine Claw has a generous capacity of 150CC, allowing for the efficient collection of milk without the need for frequent emptying. This high capacity ensures that the milking process can be completed smoothly and without interruptions.

Constructed from durable and high-quality PPSU/PC material, the Milking Machine Claw is built to last. The robust construction ensures that it can withstand the rigors of daily use in a demanding farm environment, providing reliable performance for years to come.

Featuring an air outlet diameter of 9.5mm, the Milking Machine Claw ensures optimal airflow during the milking process. This efficient air circulation helps to maintain a steady vacuum level, ensuring gentle and effective milk harvesting without causing any discomfort to the cow.

Whether you are a small-scale dairy farmer or a large commercial operation, the Milking Machine Claw is the perfect tool to enhance your milking process. Its reliable performance, durable construction, and user-friendly design make it a must-have accessory for any modern dairy farm.

Upgrade your milking machine today with the Milking Machine Claw and experience the difference in efficiency and comfort that this innovative milk harvesting claw can bring to your operation.

### Features:

Product Name: Milking Machine Claw

Claw Base: Stainless Steel

Capacity: 150CC

Liner Outlet Diameter: 13mm

Item: Cow Milking Machine Claw

Model: HL-M01B

### Technical Parameters:

Item	Cow Milking Machine Claw
Air Outlet Diameter	9.5mm
Shut-off Valve	Yes
Capacity	150CC
Model	HL-M01B
Weight	0.83kg
Liner Outlet Diameter	13mm
Cap Material	PPSU / PC
Claw Type	Four-Prong
Milk Outlet Diameter	19mm

### Applications:

The Milking Machine Claw by Chuangpu, model HL-M01B, is a versatile and reliable product suitable for various dairy farming applications. Designed and manufactured in China, this suction claw for cattle is a vital component of a dairy cow milking system. The claw is constructed with high-quality PPSU/PC material, ensuring durability and longevity in demanding agricultural environments.

With a liner outlet diameter of 13mm, the Chuangpu milking machine claw is compatible with standard milking equipment, providing a secure and efficient connection during the milking process. Weighing only 0.83kg, this lightweight claw is easy to handle and maneuver, reducing strain on operators during milking operations.

The inclusion of a shut-off valve in the dairy machine claw allows for convenient control over milk flow, minimizing spillage and optimizing milk collection efficiency. Whether used in small-scale or large-scale dairy farms, the Chuangpu milking machine claw delivers consistent

performance and reliability.

Ideal for use with automated milking systems or traditional milking setups, this cow milking machine claw offers flexibility and adaptability to suit different milking scenarios. Farmers can rely on the Chuangpu claw to streamline their milking processes and maintain high standards of milk quality.

## 150CC Milk Claw

**Model:** M01  
**Capacity:** 150CC  
**Material:** PC/PPSU  
**Base:** Plastic  
**Applicable:** COW

**Milk Outlet Dia:** 19mm  
**Liner Outlet Dia:** 13mm  
**Air Outlet Dia:** 9.5mm  
**Weight:** 0.43kg  
**Packing:** carton

**Model:** M01B  
**Capacity:** 150CC  
**Material:** PC/PPSU  
**Base:** SS  
**Applicable:** COW

**Milk Outlet Dia:** 19mm  
**Liner Outlet Dia:** 13mm  
**Air Outlet Dia:** 9.5mm  
**Weight:** 0.83kg  
**Packing:** carton
