

Boumatic Four Prong 360CC Milking Machine Claw PSU Base Key to Successful Milking Process

Our Product Introduction

more products please visit us on mobilemilkingmachine.com

Basic Information

- Place of Origin: China
- Brand Name: Chuangpu
- Model Number: HL-M03C-2 Bomatic
- Minimum Order Quantity: 1 PCS
- Price: Negotiable
- Packaging Details: Carton
- Delivery Time: 3-5 working days
- Payment Terms: T/T, Western Union,
- Supply Ability: 5000PCS /Month

Product Specification

- Item: Cow Milking Machine Claw
- Weight: 0.39kg
- Claw Base: PSU
- Milk Outlet Diameter: 21.3mm
- Capacity: 360CC
- Cap Material: PSU
- Shut-off Valve: Without Valve
- Range: Cow Milking Machine Replacement Parts
- Highlight: **Four Prong Milking Machine Claw, 360CC Milking Machine Claw, PSU Base Milking Machine Claw**

Product Description:

The Cow Milking Machine Claw is an essential component in any dairy operation, designed to efficiently extract milk from cows with ease and precision. This high-quality milking claw assembly is a vital part of the milking machine system, ensuring optimal milk suction and performance.

Constructed with durable materials, the Cow Milking Machine Claw is built to withstand the rigors of daily milking operations. The air outlet diameter of 9.8mm and liner outlet diameter of 15.7mm are engineered to provide efficient airflow and milk passage, resulting in a seamless milking process.

With its sleek design and innovative features, the Cow Milking Machine Claw is a reliable and efficient suction claw for cattle, delivering consistent results with each use. The model HL-M03C-2 Bomatic is known for its superior performance and durability, making it a top choice for dairy farmers and milk producers.

Weighing only 0.39kg, the Cow Milking Machine Claw is lightweight and easy to handle, reducing operator fatigue during long milking sessions. Its ergonomic design ensures comfort and ease of use, allowing for smooth operation and hassle-free maintenance.

Whether you are a small-scale dairy farmer or a large commercial milk producer, the Cow Milking Machine Claw is a must-have tool for your milking operation. Trust in its reliability and efficiency to streamline your milking process and enhance productivity.

Features:

Product Name: Milking Machine Claw

Milk Outlet Diameter: 21.3mm

Claw Base: PSU

Cap Material: PSU

Item: Cow Milking Machine Claw

Capacity: 360CC

Technical Parameters:

Cap Material	PSU
Milk Outlet Diameter	21.3mm
Claw Base	PSU
Model	HL-M03C-2 Bomatic
Liner Outlet Diameter	15.7mm
Range	Cow Milking Machine Replacement Parts
Claw Type	Four-Prong
Capacity	360CC
Item	Cow Milking Machine Claw
Weight	0.39kg

Applications:

The Chuangpu HL-M03C-2 Bomatic milking machine claw is a high-quality product designed for use in cow milking machines. Made in China, this claw features a PSU base and is suitable for use as a replacement part in cow milking machines.

The milk harvesting claw is a crucial component of any milking machine, responsible for effectively and efficiently extracting milk from cows. With an air outlet diameter of 9.8mm and a milk outlet diameter of 21.3mm, this claw is designed to provide optimal suction power for a thorough milking process.

One of the key application occasions for the Chuangpu HL-M03C-2 Bomatic milk harvesting claw is in dairy farms and cattle ranches where large numbers of cows need to be milked on a regular basis. The suction claw for cattle is durable and reliable, making it ideal for heavy-duty use in commercial dairy operations.

Additionally, this milking machine claw is suitable for use in veterinary clinics and research facilities where cows may need to be milked for medical or experimental purposes. Its precision engineering ensures gentle and efficient milk extraction, making it a valuable tool in various milking scenarios.

Whether used as a replacement part in existing milking machines or as a component in custom-built systems, the Chuangpu milk harvesting claw delivers consistent performance and reliability. Farmers and dairy producers can trust this claw to streamline their milking processes and ensure the highest standards of milk quality and production efficiency.

360CC Milk Claw

Model: HL-M03C-2

Capacity: 360CC

Material: PSU

Applicable: COW

Milk Outlet Dia: 21.3mm

Liner Outlet Dia: 15.7mm

Air Outlet Dia: 9.1mm

Weight: 0.39kg

Packing: carton
