Product Description

Product Description:

The Hoof Pad Glue (AB Glue) is a high-quality adhesive product designed specifically for cow hoof pads. With a weight of 353g and a volume of 210ml, this product is perfect for attaching and securing hoof pads in place effectively.

The HL-Q30B-2 model of this glue is known for its strong bonding capabilities, ensuring that the hoof pads stay securely attached to the hooves. This makes it a reliable choice for farmers and veterinarians looking for a dependable solution for cow hoof pad applications.

One of the key features of the Hoof Pad Glue is its ability to meet the needs of 6 - 7 hooves per application. This means that a single bottle of this adhesive can be used efficiently for multiple cows, making it a cost-effective and practical choice for hoof pad maintenance. When it comes to caring for cow hoof pads, having a reliable adhesive like the Hoof Pad Glue is essential. Its strong adhesion properties ensure that the hoof pads remain securely in place, providing the necessary support and protection for the cow's hooves.

Whether you are a farmer looking to maintain the health of your livestock or a veterinarian in need of a dependable adhesive for hoof pad applications, the Hoof Pad Glue is a versatile and effective solution. Its ease of use and reliable performance make it a valuable addition to any farm or veterinary practice.

Invest in the Hoof Pad Glue today and ensure the proper care and maintenance of your cow's hoof pads. With its strong bonding capabilities and ability to meet the needs of multiple hooves per application, this adhesive is the perfect choice for all your cow hoof pad needs.

Features:

Product Name: Hoof Pad And Glue

Feature: Meet The Needs Of 6 - 7 Hooves

Size: 7.5*19CM

Model: HL-Q30B-2

Weight: 353g

Volume: 210ml

Technical Parameters:

Size	7.5*19CM
Model	HL-Q30B-2
Feature	Meet The Needs Of 6 - 7 Hooves
Volume	210ml
Name	Hoof Pad Glue(AB Glue)
Weight	353g
Use	For Wooden Hoof Pads

Applications:

The ChuangPu HL-Q30B-2 Hoof Pad Glue is a specialized adhesive designed for use with wooden Cow Hoof Pads. Made in CHINA, this high-quality AB Glue comes in a convenient 210ml volume, providing ample supply for various applications.

The HL-Q30B-2 glue is specifically formulated to securely attach wooden Cow Hoof Pads to hooves, ensuring a strong and long-lasting bond. Its precise composition and reliable adhesion properties make it an essential product for livestock farmers, veterinarians, and hoof care professionals.

The 7.5*19CM size of the Hoof Pad Glue allows for easy application and coverage, making it suitable for different sizes of Cow Hoof Pads. Whether used for routine hoof maintenance, treating injuries, or during milking sessions, this adhesive offers a versatile solution for various Cow Hoof Pad scenarios.

Farmers can utilize the ChuangPu HL-Q30B-2 Hoof Pad Glue during hoof trimming procedures to ensure the proper placement and stability of Cow Hoof Pads. Additionally, veterinarians can rely on this product for applying protective pads to hooves during treatment or rehabilitation processes.

With its strong bonding capabilities and user-friendly design, the HL-Q30B-2 Hoof Pad Glue simplifies the task of securing Cow Hoof Pads effectively and efficiently. This product is a valuable addition to any livestock management toolkit, providing a reliable solution for enhancing hoof health and comfort for cows in various agricultural settings.
