### Product Description:

The Anti Kick Bar is a revolutionary product designed to protect cows from injury caused by kicking. This Foot Guarding Device is essential for any farm looking to prevent harm to their livestock. Made with high-quality materials, this Kick Defense Barrier is durable and reliable, ensuring long-lasting protection.

Condition: New

Weight: 1.3kg

Usage: Designed to Aovid Cow Kicking

Package: Comes in a sturdy Carton for safe delivery

Length: Adjustable from 445mm to 770mm to fit various stall sizes

The main purpose of this Protective Kick Barrier is to create a safe environment for cows and farmers alike. By installing this Anti Kick Bar in the barn, farmers can minimize the risk of injury to their livestock and themselves. The sturdy construction of this product ensures that it can withstand the force of a kicking cow without breaking or bending.

Whether you have a small family farm or a large commercial operation, the Anti Kick Bar is a valuable addition to your facilities. It provides peace of mind knowing that your cows are protected from self-inflicted harm, reducing veterinary costs and potential losses due to injuries.

Investing in the Anti Kick Bar is not just about protecting your cows – it's also about protecting your investment. By preventing cows from kicking and damaging equipment or structures in the barn, this product can help you save money in the long run. The adjustable length of the bar makes it versatile and suitable for various barn setups.

Don't wait until an accident happens – be proactive and install the Anti Kick Bar today. This essential piece of equipment is easy to set up and requires minimal maintenance. The innovative design of this product ensures that it effectively serves its purpose without causing any discomfort to the cows.

Overall, the Anti Kick Bar is a must-have for any dairy or livestock farm. Its protective features, durable construction, and ease of use make it a valuable asset for ensuring the well-being of your cows and the smooth operation of your farm. Order yours today and experience the benefits of this top-quality Foot Guarding Device!
